

The following questions and information will establish good communication between Mood Swings Entertainment and the Purchaser of music. Please read and fill out completely, make a copy for yourself, and return the original with the contract and your deposit to the address on the last page. Thank you for your cooperation.

Name of Purchaser: _____

General Requirements:

- _____ sturdy, armless chairs (preferably padded) must be provided.
- Minimum two (2) separate electrical power outlets, near set-up area, with grounding (3 prong)
- Mood Swings requires two (2) hours prior to the event to set up and a minimum of one (1) hour to break down and load up after the event.
- The Jazz Combo needs a minimum of 16' x 12' area.
The Big Band needs a minimum of 30' x 20' area.
- Flat stage risers, if available. Must meet minimum square feet, and should be about 12" high.
- Mood Swings Entertainment musicians generally perform forty-five (45) minute sets of music with fifteen (15) minute breaks between each set. Adjustments may be made upon approval.
- Requests for announcements and special event notification must be made at least five (5) minutes in advance. (e.g. cake cutting, bride & groom arrival, etc.)

Information to be provided by the Purchaser:

- Please select a uniform attire for the musicians to wear at your function:
Tuxedo suit & tie black golf shirt & khaki slacks
- Will amenities such as food and beverages be provided for the musicians at no charge?

- If so, are there any special terms? _____
- May Mood Swings Entertainment audio/video record the event for our personal records and promotion? We only record the band and bride & groom. _____
- May we take photographs of the band and guests? _____
- Will the Purchaser, if satisfied, provide Mood Swings Entertainment a letter of recommendation at their earliest convenience after the event? _____
- Please provide Mood Swings Entertainment with a detailed map with exact directions to the event location. Please include any special entranceways for equipment loading, parking procedures, and any other information such as parking passes, driveways, loading zones, etc.
